Himanshu Tamboli

has successfully completed the online Specialization

Digital Product Management

You've mastered the foundations of running a modern product program in digital, from chartering a team with high alignment and high autonomy to facilitating a testable view of your progress with hypothesis-driven development. You are now ready to lead a modern product team. This specialization can be accessed at:
<https://www.coursera.org/specializations/digital-product-management>

Alexander Cowan,
General Faculty
University of Virginia
Darden School of
Business

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
